

28. (original) The garment of claim 27 wherein said tightening mechanism includes a buckle on the free end of one of said straps for adjustable engagement with the free end of the other of said straps.

29. (new) The garment of claim 26 wherein said abdominal section is made of a material which wicks away moisture.

30. (new) The garment of claim 29 wherein said abdominal section is part of a pant.

31. (new) The garment of claim 26 wherein said abdominal section is made of a material that promotes weight loss.

32. (new) The garment of claim 31 wherein said abdominal section promotes cooling to cause heat transfer/calorie burning.

33. (new) The garment of claim 26 wherein said tensioning system is located on the inside of said garment so as to be concealed.

34. (new) The garment of claim 29 wherein said abdominal section is part of a pant.

REMARKS:

This amendment is for the purpose of presenting claims 29-34 to complete the claim coverage. Support for these claims is found, for example, at page 13 in the paragraph beginning at line 20 and at page 20 in lines 7-9. The addition of claims 29-34 results in six additional claims

which requires a supplemental fee of \$54.00. The Commissioner is authorized to charge such fee to Deposit Account No. 03-2775.

Respectfully Submitted,

CONNOLLY BOVE LODGE & HUTZ LLP
